

Ten Year Warranty

Terms and Conditions

Atlantic States Cast Iron Pipe Company, a Division of McWane, Inc., (ASP) warrants that pipe made by Atlantic States Cast Iron Pipe Company, a Division of McWane, Inc. to be free of damage or defects resulting from the manufacturing of said pipe for a period of ten (10) years from the date of manufacture subject to the terms and conditions listed herein. If pipe is installed prior to the discovery of a covered defect or manufacturing damage, ASP shall reimburse the project owner for the labor, equipment and materials required to remove and replace the damaged or defective pipe subject to the terms and conditions herein.

1. Pipe and project shall be registered with ASP per prescribed form and procedure within 6 months of the completion of the project. Registration form shall be completed by project owner or duly appointed representative (contractor, consulting engineer, project manager).
2. Pipe shall be inspected at time of delivery and pipe with obvious or apparent damage shall not be installed and ASP shall be notified within five (5) working days.
3. Pipe shall be installed in accordance with project specifications, ASP installation instructions and AWWA Standards.
4. Installed pipe shall be tested in accordance with project specifications, ASP installation instructions and AWWA Standards.
5. Failure to install and test pipe in accordance with these terms and conditions shall cause this warranty to be void.
6. ASP shall be notified of any suspected manufacturing damage or defect within one (1) business day of the discovery of the suspected manufacturing damage or defect.
7. Pipe shall be returned freight prepaid to the ASP plant in Phillipsburg, NJ within five (5) business days of removal for inspection which shall be accepted as sole determination of manufacturing damage or defect.
8. All claims shall be submitted with supporting detailed documentation including invoices, labor rate/time/payroll sheets and other documents as requested by ASP including documentation of proper installation and testing.

Limits of liability: Atlantic States Cast Iron Pipe Company's liability shall be limited to \$7,500 per occurrence subject to terms and conditions listed above.
